SUMMARY

Web Developer with hands-on experience in **HTML**, **CSS**, **JavaScript**, and foundational knowledge of **Java** and **Python**. Skilled in building responsive, user-friendly web applications and deploying projects using **Netlify** and **AWS**. Strong problem-solving ability and adaptability.

EDUCATION

- **BCA**, Raj Kumar Institute of Technology 2022–2025
- **Intermediate (XII)**, T.R.M Public School, Modi Nagar (CBSE) 2021
- **Matric (X)**, Dayawati Modi Public School, Modi Nagar (CBSE) 2019

SKILLS

Technical Skills

Programming Languages: Java, Python
Web Development: HTML, CSS, JavaScript
Databases: MySQL (Basics), MongoDB (Basics)
Developer Tools: VS Code, Eclipse, Git, GitHub
Deployment Platforms: Netlify, Amazon Web Services

Soft Skills

Communication and Teamwork
Problem-Solving and Creativity
Time Management and Adaptability
Quick Learning and Positive Attitude
Attention to Detail, Patience & Persistence

PROJECTS

Emergency Website

HTML, CSS, JavaScript

- Built a fully responsive emergency information website.
- Maintained and updated content based on feedback.
- Deployed using Netlify and AWS.

Library Management Website

HTML, CSS, JavaScript

- Developed a responsive library system with user-friendly UI.
- Implemented browsing, searching, and reading features.
- Deployed using Netlify and AWS.

Streamie — Movie Website

HTML, CSS, JavaScript

- Built a responsive movie streaming-style website.
- Applied responsive layout and UI design principles.
- Deployed using Netlify and AWS.

ACHIEVEMENTS & CERTIFICATIONS

- Web Development Training, Internshala (2025)
- Front End Web Development, IBM SkillBuild (CSRBOX) (2025)
- Cloud Computing Professional Bootcamp, CDAC (2025)
- Cyber Job Simulation, Deloitte (2025)
- Participated in Drone Club (2022–2023)

OTHER TECHNICAL EXPERIENCE

Drone Making Project

Designed and assembled a functional drone involving motors, propellers, battery systems, and flight controllers. Gained practical understanding of electronics, sensors, stability control, and engineering problem-solving.
